### How do I check my usages?

If you want to check your usage, you can access this by logging into the **My Account** section on our website.

### What is My Account, and what else can I do there?

**My Account** is SpinTel's online portal where you can:

1. Check your data usage.
2. Look at your invoices.
3. Create additional email accounts.
4. Relocate your services to your new home.
5. Manual payments.
6. Manage your contact information and more!

### How can I check or change my password?

You can change your email password by logging into **My Account** through our website. However, if you have forgotten your administrative account

username / password please use the recovery tools available here.

## How do I track my order?

While an order is being processed, you can track its progress online through our **Order Tracker** tool. You will be required to enter your Order Number and nominated Password in order to view the current ETA, delivery/billing address, hardware requests, and contact details.

## How long does it take after signup to connect to my SpinTel service?

Provisioning times will vary depending on the type of service requested, the amount of work required and your location. Details specific to your order can be found using SpinTel's **Order Tracker**.
