

How to Sign Up for an eSIM with SpinTel

All SpinTel mobile plans are compatible with eSIM. If you'd like to use one instead of a physical SIM, please make sure your device supports eSIM before placing an order. For new accounts, please prepare a valid ID.

Steps to order an eSIM:

1. Visit the **Mobile** section on the [SpinTel website](#).

2. Select your preferred plan and click **Buy Now**.

Buy Now

3. Enter your email address, then click **Proceed to New Checkout**.

Empty Cart

Please enter your email *

On the **Secure Checkout** page:

1. New Account

Do you have an existing account with Spintel?

☒ No ☐ Yes

What Happens Next:

- Once your request is submitted, you'll receive an order confirmation email. Then, proceed to activate your mobile eSIM through the [activation page](#).
- A **QR code** will be sent to your registered email address shortly after activation. Note: If transferring a number, please wait until your current SIM no longer registers on the network before scanning and installing your eSIM.
- Follow the instructions in the email to scan the QR code and activate your eSIM on your device. For a complete guide, refer to this [article](#).

If you experience any issues during activation, our support team will be available to assist. Call us at 1300 303 375 or initiate an online chat, and we'll be with you.
