## How to Change the Billing Cycle Date in the Data Usage Settings on your Phone

SpinTel's mobile billing cycle starts every 1st of the month. To align the usage that reflects on your phone, follow the steps below.

Note: At the time of the set date, the data count is reset to 0.

- Android Phone settings
- iOS Phone settings

## **For Android Phones**

1. Tap on **Settings** 

## 2. Click on Connections then choose Data Usage

3. Select Billing cycle and data warning, then tap Start billing cycle on

4. Select the date and tap Set

## For iOS Phones

1. Go to your phone Settings and click on Cellular
