

Changes to Selected SpinTel NBN Plan Prices – July 2026

Overview

From July 2026, selected SpinTel NBN plans will have updated monthly pricing. These changes reflect annual wholesale pricing updates from NBN Co and will apply from your first billing cycle on or after **1 July 2026**.

Which NBN plans are affected by the price increase, and by how much?

The monthly price of selected NBN plans will change as follows:

NBN Plan	Current Price	New Price	Change
NBN 25	\$64.95	\$69.95	+\$5.00
NBN 50	\$81.95	\$85.95	+\$4.00
NBN 100	\$86.95	\$89.95	+\$3.00
NBN 500	\$86.95	\$89.95	+\$3.00
NBN 750	\$90.95	\$94.95	+\$4.00
NBN 1000	\$99.95	\$104.95	+\$5.00

These changes apply only to the standard monthly plan price.

Why are prices changing?

Each year, NBN Co updates the wholesale prices charged to internet providers for access to the national broadband network.

To continue delivering a reliable, high-quality broadband experience, SpinTel has reviewed its pricing and made adjustments to reflect the wholesale cost changes.

These updates help support:

- Ongoing investment in network and service improvements
- Reliable and consistent broadband performance
- Continued value for customers across all plans

Do I need to do anything?

No action is required.

If your plan is affected, the new monthly price will be automatically applied from your first billing cycle on or after **1 July 2026**.

Can I change my plan?

Yes. You can [change to another available plan](#) at any time at no additional cost.

If your current plan no longer suits your needs, you can explore alternative options before or after the price change takes effect.

What happens to promotional discounts?

If you are on a promotional offer:

- Your discount will continue as normal
- It will remain active until the end of your promotional period
- The discount will still apply even after the base plan price changes
