How to retrieve Voicemail from another mobile phone?

To access your voicemail from another Mobile Phone in Australia

1. Dial 0411 000 321

2. If prompted: Enter your mailbox number, this is your mobile phone number (e.g 04XX XXX XXX)

3. Enter your PIN (**Note:** If you have forgotten your voicemail password, you have to set it up on your mobile handset by dialing 321)

4. Follow the prompts to retrieve your voicemail
