Where do I find my account number?

Find Your Account Number in Different Ways

Option 1: Through the My Account Portal

You can view your **account number** by logging into the **My Account** portal. It will be displayed on the **dashboard** once you're logged in.

Forgotten your username or password? Check this article on how to reset.

Option 2: Through the Order Confirmation email

Soon after you order a new SpinTel service, you'll receive a confirmation email and SMS.

• Check the SMS from SpinTel, the content should look like this "Thanks! Order #xxxxxx was received for account #xxxxxx. Please see your email information on tracking your order and activating your

account".

• Check your email; the email subject of the order confirmation email will be "We've received your order #xxxxx for account #xxxxxx"

The account number and other order details will also be in the content of the email.

Option 3: Through Your Bill

Your **account number** is listed on your monthly bill. You can find it in one of two ways:

- Via email: Look for an email with the subject line "SpinTel Monthly Bill (Your Account Number)."
- On the bill itself: If you have a copy of your bill, go to the first page and scroll down to the **Account Summary** section. Your account number will be listed there along with other key details.
