

# Manage your Home Phone

Your phone service allows you to make calls using your **nbn** internet service just like the old copper lines. Manage your usage and keep your phone features working for your needs.

## Checking your Usage

1. Login to [My Account](#).

2. Once logged in, the dashboard displays the summary of your services and their usage. Click **Manage Service** to expand the details of the selected service.

The screenshot shows a user interface for managing phone services. At the top, there is a blue header bar with the text "Phone ( [redacted] )" on the left and a red-outlined button labeled "MANAGE SERVICE" on the right. Below the header, the section "Phone Usage" is displayed. It contains a table with two rows of usage data.

Phone Usage	
NATIONAL (1 calls)	\$0.00
MOBILE (1 calls)	\$0.00

3. Scroll down to **Service Usage** and filter the date then click **Show detailed phone usage**
