Enable/Disable Call Forward on your Home Phone

How to Enable Call Forwarding on Your Home Phone Through My Account

- 1. Visit <u>spintel.net.au</u>
- 2. Login to My Account by selecting Customers and then My Account.

3. Once logged in, the dashboard displays the summary of your services and their usage. Click **Manage Service** to expand the details of your phone service.

4. Scroll down to Service Management and click Change service settings

Here you will see the features available for control. By clicking the radio button, you can either Enable or Disable the feature.

Please don't forget to enter the phone number for the **Call Forwarding** feature.

Click **Update Settings** to save the changes.
