

Call History and Anonymous Caller Blocking on Netcomm NF10WV

Steps to Check Call History through the Modem Interface:

1. Access the Modem Configuration Page

- To access the modem interface, please make sure your device is connected to your modem through a wired or wireless connection.
- From your browser, type in **192.168.20.1** in the address bar and hit Enter

If the IP address does not work or if it has been changed, check your router's IP address. For instructions, click [here](#).

2. Log in

- Enter **admin** in the username and password field then click OK

3. Navigate to **Voice > VoIP Status**.

The Voice Status page displays the registration status of your SIP accounts and a list of your recent calls with details such as calling number, duration and timestamp.
