SpinTel Webmail Interface: A Guide to Skin Modification

Change your webmail's user interface and skin with just a few clicks. Follow the steps below:

1. Launch your SpinTel webmail and login with your My Account credentials.

2. Select **Settings** and click on **User Interface** as shown below.

3. Scroll down to **Interface Skin** and select the preferred style.

4. Hit **Save** to apply the changes.
