

# SpinTel Webmail Interface: A Guide to Skin Modification

Change your webmail's user interface and skin with just a few clicks. Follow the steps below:

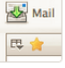

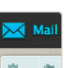

1. Launch your [SpinTel webmail](#) and login with your My Account credentials.

2. Select **Settings** and click on **User Interface** as shown below.

3. Scroll down to **Interface Skin** and select the preferred style.

<b>User Interface</b>	Pretty dates <input checked="" type="checkbox"/>
Mailbox View	Display next list entry after delete/move <input checked="" type="checkbox"/>
Displaying Messages	Refresh (check for new messages, etc.) <input type="text" value="every 1 minute(s)"/>
Composing Messages	
Contacts	
Special Folders	
Server Settings	
Encryption	
	<b>Interface skin</b>
	<input type="radio"/>  <b>Classic</b> by The Roundcube Dev Team License: <a href="#">Creative Commons Attribution-ShareAlike</a>
	<input type="radio"/>  <b>Elastic</b> by Aleksander Machniak License: <a href="#">Creative Commons Attribution-ShareAlike</a>
	<input type="radio"/>  <b>Larry</b> by FLINT / Büro für Gestaltung, Switzerland License: <a href="#">Creative Commons Attribution-ShareAlike</a>
	<input checked="" type="radio"/>  <b>Elastic</b>
	<input type="radio"/>  <b>Larry</b>
	<input type="radio"/>  <b>Larry</b> by FLINT / Büro für Gestaltung, Switzerland License: <a href="#">Creative Commons Attribution-ShareAlike</a>
	<input checked="" type="button" value="Save"/>

4. Hit **Save** to apply the changes.
