# SpinTel Webmail Interface: A Guide to Skin Modification

Change your webmail's user interface and skin with just a few clicks. Follow the steps below:

1. Launch your SpinTel webmail and login with your My Account credentials.

2. Select **Settings** and click on **User Interface** as shown below.

Settings		User Interface
≡ Preferences		🖥 User Interface
📁 Folders		✉ Mailbox View
📇 Identities		☁ Displaying Messages
💬 Responses		✈ Composing Messages
🔻 Filters		👥 Contacts
		📂 Special Folders
		🗄 Server Settings
		🔒 Encryption
