How to Register for My Account

Follow the steps below to register to use **My Account** if you're a new customer.

When you place your SpinTel order you will receive two emails: the first email contains confirmation of your order, and the second contains a link to activate your account.

1. Find your activation email, which should resemble the image below, then click on **Activate Account**.

	VISIT OUR WEB SITE →	
Hello		
Thank you for signing up with SpinTel.		
Please activate your account so that you can use My Account, our self service portal.

What should I do if I see a "bad username" error when trying to log in?

This error likely means your account registration link has expired. To resolve it, click <u>here</u> and follow the prompts to retrieve your correct username.

RETRIEVE USERNAME

If you have forgotten your username, you can use this form to retrieve it. Please enter the email address associated to your account. If this email address matches what's on record, your username will be emailed to that address. Please give us a call on 1300 303 375 if you have any problems.

Once you've retrieved your username, click here to reset the existing password

and create a new one.

You will receive an email with a link to click on to enter your new password, similar to the image below.

Finally, you can now <u>log in to your My Account</u> using your recovered username and newly created password.

If you need further assistance, please don't hesitate to contact us.
