

Acceptable Use Policy (AUP) for Mobile Services

This AUP defines some possible activities that SpinTel may consider to be a breach of the policy.

Mobile plans with unlimited calls or SMS's must not be used for commercial use if the commercial use includes any of the following activities:

1. Running a telemarketing business or call centre;
2. SIM boxing or using other devices;
3. Re-supplying or reselling the service;
4. Other similar activities

SpinTel may deem your usage unreasonable and excessive if we believe it will have an impact on the SpinTel or carrier networks, or if through excessive usage is considered detrimental to our other customers.

This policy covers all services provided by SpinTel and is deemed to be part of the Terms and Conditions. To view the policy for the rest of the services, click [here](#).
