

Retrieving a disconnected telephone number (VoIP)

A phone number may still be retrievable if it's within 6 months from the disconnection date. Phone numbers that have been disconnected for some time may be allocated to another line.

Please call us on 1300 303 375 or click the chat icon below to check further.

Here are some helpful articles that will guide you to set up your phone once your number is retrieved:
