

# How do I relocate my 4G Wireless Broadband or Mobile Broadband service address to a new address?

Whilst 5G Wireless broadband service requires provisioning in order to work, **4G Wireless Broadband and Mobile Broadband** can be used regardless of your location. You can bring it anywhere and will still work as long as the new place is covered by a 4G Optus network.

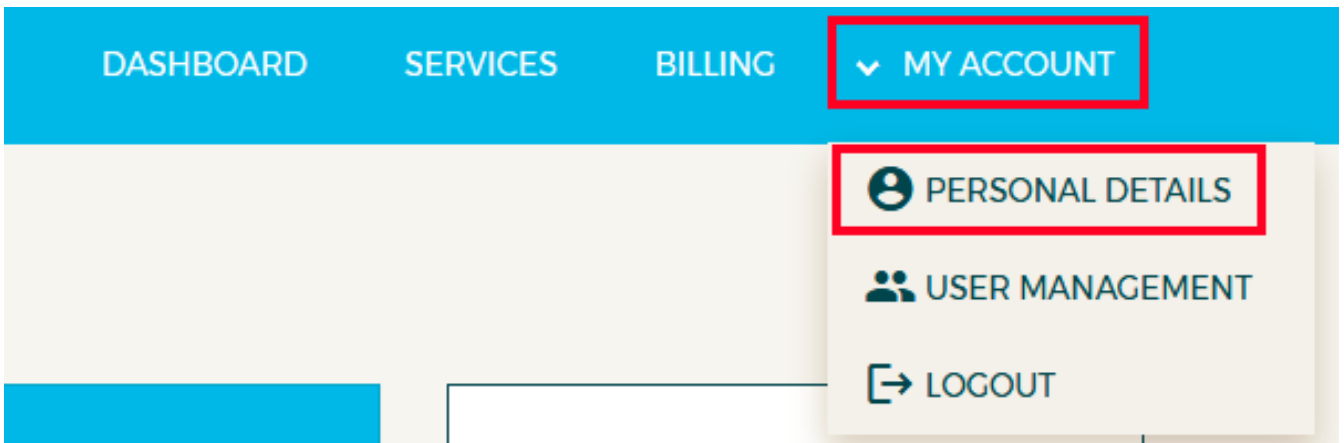

However, **to keep things up to date, you may request to update the service address by contacting us via Chat or Call us directly at 1300 303 375.** Our friendly representatives will be delighted to assist you!

If you also wish to update the Billing Address via myAccount, you may follow the steps below:

1. Visit [spintel.net.au](https://spintel.net.au)
2. Login to [My Account](#) by selecting **Customers** and then **My Account**.

3. From the top of the page, click on **My Account**, then select '**Personal Details**'

4. Scroll down to **Billing address** and click **Change**
