

Access webmail

1. Visit spintel.net.au
2. Login to [webmail](#) by selecting **Customers** and then **Webmail**.

3. Enter your username and password then click on **Login**.

Important: When entering your Username, only include the part before the “@” symbol. Do not include the domain name (e.g., @spintel.net).

A screenshot of the webmail login page. It features a dark grey background. In the top left, there is a cartoon koala holding an envelope with an '@' symbol, followed by the text 'spintel webmail'. Below this, there are two white input fields: the first is labeled 'Username' and the second is labeled 'Password'. At the bottom center, there is a white button with the text 'Login' in bold.

Note: Your My Account and webmail share the same credentials. Changing

your My Account password will also update your webmail password.
