

How to process payment extension through My Account

Payment extension is an option that allows customers to adjust their due date within the approved timeframe. This helps avoid late payment fees by arranging the extension in advance—either to prevent failed payment attempts or to allow extra time to prepare for payment.

Follow the steps below to process a payment extension:

1. Visit spintel.net.au
2. Login to [My Account](#) by clicking on **Customers** and then **My Account**.

3. From the top of the page, click on **Billing** and select **Request a payment extension**
