# How To Place Hardware Orders Through My Account
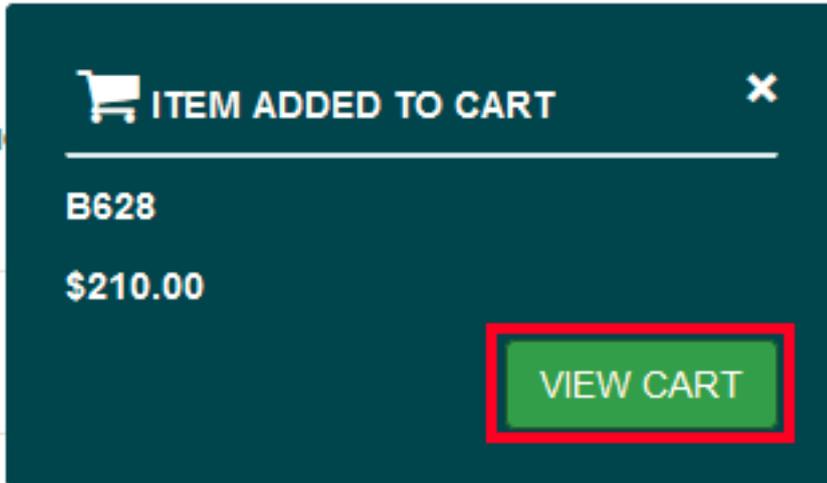

How do I purchase hardware through My Account?

To purchase hardware such as modems, mesh units, or IP phones and add them to your existing account, you can place an order through My Account by following the steps below.

1. On your My Account page, select My Account > Shop

2. Select the hardware you wish to add then click View Cart when you are ready to check out. **Note**: Shipping fees apply.

3. Enter your email and click **Proceed to Checkout** to confirm your order.

CONFIRM YOUR ORDER

Item was added to your cart!

Promotions and discounts are applied at the next step during checkout.

ID	Product	Type	Price	Qty		Total
