# Mobile phone international call activation and international call rates
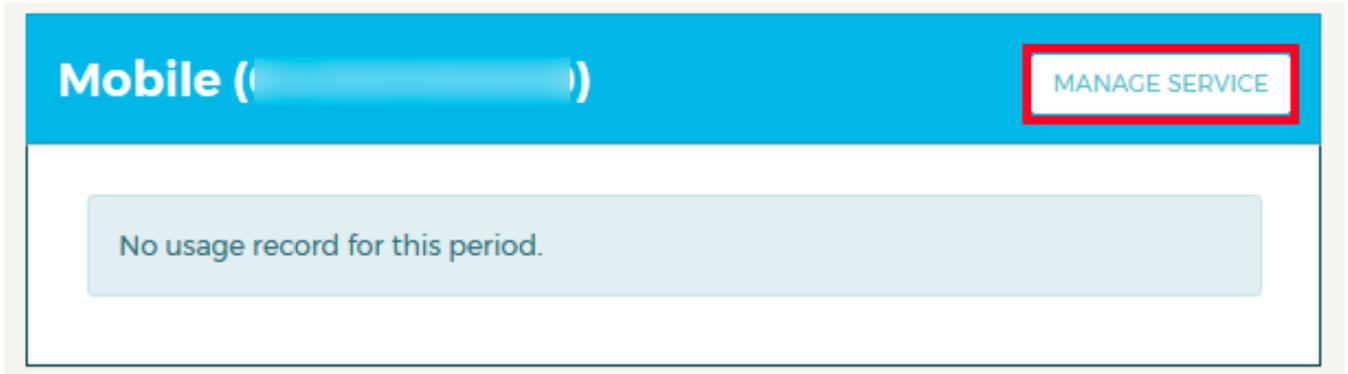

How to activate international calls

International calls are normally barred on your mobile phone service as it incurs a corresponding charge per minute of use.

**Follow the below steps to enable international calling:**

1. Visit spintel.net.au

2. Login to My Account by selecting **Customers** and then **My Account**.

3. Once logged in, you will be routed to the dashboard. Select the relevant service and click on **Manage Service**

4. Scroll down to Service Management and click **Change service settings**

5. Turn **ON Outgoing Calls to International & Premium Numbers such as 19XX**

6. Scroll down and click **Update Settings** to apply the changes.

Confirmation will be displayed in **My Account** once the requested feature has been successfully activated.

Note: Please read and understand the Terms and Conditions before using the feature.

Check international call rates
