# Adding a data block to your mobile service

1. Visit spintel.net.au

2. Login to My Account by selecting **Customers** and then **My Account**.

3. On the dashboard, click **Manage service** on the Mobile service you want to add a Data Block.

4. Scroll down to **Service Management,** then select **Purchase a data-block**

## Service Management

Change my plan

Change my service nickname

Change my emergency contact details

Purchase a data-block

Change service settings

Order a replacement SIM

4. Choose the Data Block size you wish to add, then select the preferred mode of payment

**Buy Data-Block**

Add a data-block so you can continue enjoying your service.

- ◉ 1G data-block for $12.00
- ○ 2G data-block for $20.00

You will be charged the full amount and will receive the full amount to use in your current billing cycle. Any unused allowance will expire at the end of the month. If you reach your limit you can purchase additional data blocks.

- ◉ Existing Payment Method
- ○ Credit Card
- ○ Paypal

**Existing Payment Method**

Name On Card

Expiry date

CCV ❓

**Purchase A Data-Block**

5. Click **Purchase A Data-Block** to proceed.

Once payment has been approved, a confirmation will be displayed in **My Account**.
