

# Processing a Payment through PayPal

## Does SpinTel accept PayPal?

Yes, SpinTel accepts PayPal for manual payments, including adding data blocks and other one-time transactions.

Exciting news to our valued customers! SpinTel now accepts Pay-in-4 payments using PayPal.

## What is Pay in 4?

Pay in 4 is an interest-free installment plan that allows users to split their purchases into four payments. The initial payment is due at the time of the transaction, followed by three additional payments every 15 days.

For more details, visit the PayPal page.
