International Roaming

Off

Mobile usage while roaming is much more expensive than regular usage. Please read [this guide](#) before activating international roaming to ensure that it will suit your needs. By activating international roaming you are agreeing [these terms](#).

Update Settings

Checking Applicable Roaming Charges

International Roaming Destinations

INTERNATIONAL ROAMING

International Roaming allows you to use your mobile phone overseas as if you were in Australia. You can make and receive calls, send and receive texts, and use data while you are abroad.

International Roaming Destinations

To see which rates apply to the country you're visiting, please select it below.

Select a country, you can filter options by typing in the list

International Roaming \$15 Day Pass

What timezone does the International Roaming feature follow when activated?

Will roaming activate if I receive SMS overseas?

If I don't answer a call and it goes to voicemail, will I be charged?

What actions will trigger roaming charges?
