How to enable and disable voicemail
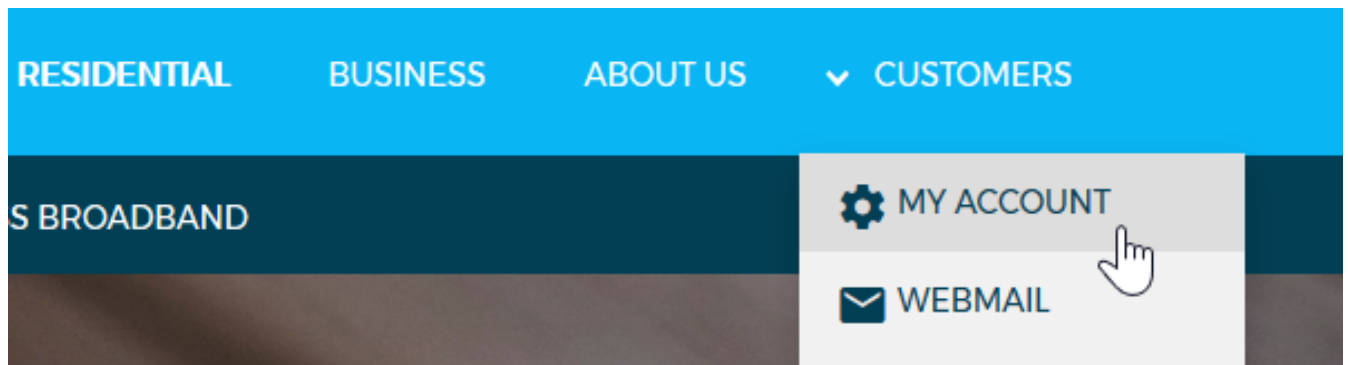

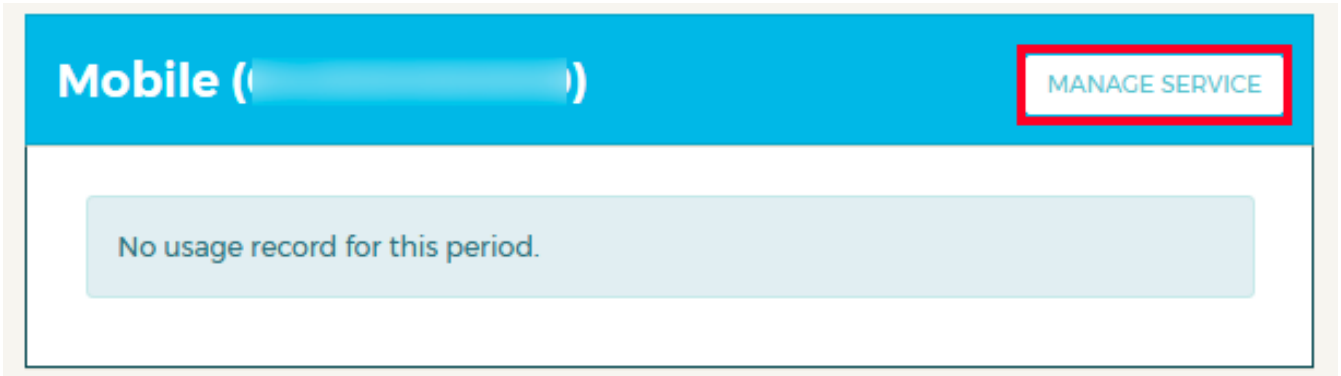

## To ENABLE voicemail, please follow the steps below:

1. Visit spintel.net.au

2. Login to My Account by selecting **Customers** and then **My Account**.

3. Once logged in, click on **Manage Service** on the mobile service you want to enable the feature

4. Scroll down to Service Management and click **Change service settings**

5. Turn **ON** Voicemail

6. Scroll down and click on **Update Settings** to apply.

And here is the guide to DISABLE voicemail:

1. Visit spintel.net.au

2. Login to My Account by selecting **Customers** and then **My Account**.

3. Once logged in, click on **Manage Service** on the mobile service you want to enable the feature

4. Scroll down to Service Management and click **Change service settings**

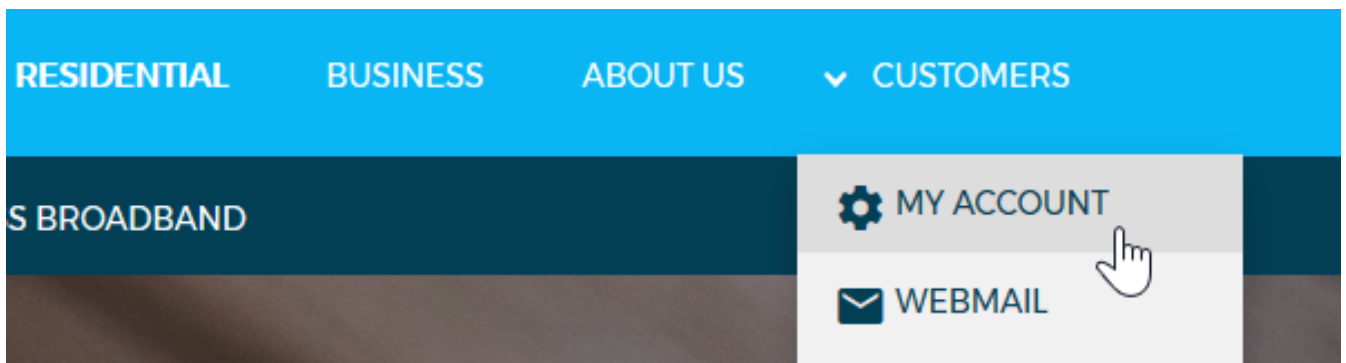

5. Turn **OFF** Voicemail

6. Scroll down and click on **Update Settings** to apply.

Note: **Mobile voicemail service** can be **personalized** by **dialing 321** from the handset. If you are trying to **extend ring time before call diverts to voicemail,** click here.
