

How to Make a Payment through Website via Pay a Bill

To manually make a payment or to initiate an advance payment, you can conveniently do so online without needing to access your My Account (just have your account number and bill number ready).

Note: SpinTel accepts PayPal for manual payments, providing you with added flexibility and convenience.

Follow the steps below to guide you in making a payment online:

1. Visit <https://www.spintel.net.au/secure-bill-payment>.

2. Next, enter the following information:

- Account Number
- Bill Number
- Payment Amount
- Card or Banking Details

3. Complete the Captcha verification, then hit Submit to process your payment.
