

Ordering a new SpinTel service

Joining SpinTel is a straightforward process, and you have several options to choose from:

1. **Ordering Online:** Visit our [website](#) and follow the simple steps to sign up for our services.
2. **Chatting with Us:** Click on the chat icon in the lower right corner of this screen to speak with one of our representatives in real-time. They can guide you through the process and answer any questions you may have.
3. **Talking to Our Sales Team:** If you prefer a more personal touch, you can call our Sales Team at [13 22 10](tel:132210). They will help you with the signup process and provide any additional information you might need.

What are the required documents to join SpinTel?

To become a SpinTel customer, you'll need the following:

- **An Australian Address:** This is required to set up your service.
- **A Valid ID:** Acceptable forms of identification include a Driver's license, Medicare card, Passport, or VISA.

Additional Documentation:

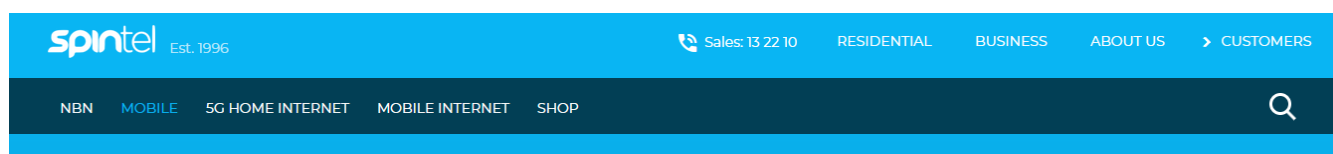

If you've recently moved or relocated, we may ask for a proof of occupancy document to verify your new address. This can be:

- A utility bill with your name and address
- A letter from a real estate agent
- A lease agreement

These documents help us ensure that your service is set up correctly and that there are no delays in getting you connected.

Steps on how to place an order online:

1. Visit spintel.net.au and click on the service and options that best suit your needs.

2. Enter your email address and click **Proceed to New Checkout**.

CONFIRM YOUR ORDER

2. Service and Delivery Details

Service Address

(Change)

- ☐ Use a different billing address
- ☐ Deliver my hardware to a different address

Do you have an active phone at this address?

No	Yes
----	-----

Do you want to transfer an active nbn connection at this address to SpinTel?

No	Yes
----	-----

When would you like your internet service to be connected?

- ☒ As soon as possible
- ☐ On a specific date

Next

3. Payment

For NBN order, you can bundle and transfer your existing phone number by providing the transfer details. Make sure to keep the number active until the porting is completed.

Do you have an active phone at this address?

No

Yes

Do you want to transfer your phone number to SpinTel?

No

Yes

Important:

Please do not cancel your phone number with your current provider as it will affect your transfer to SpinTel. We recommend you check any contractual obligations with your current provider before transferring to SpinTel, and once your phone number has been transferred we recommend that you contact your previous provider to ensure you do not incur future charges.
